Lovely 18-year-old Lisa wants to get naughty. I want to try a double penetration with a couple of really hard guys. Can you help me to make this fantasy come true? My boyfriend wants to watch you do this to me but won't join in himself. If you are interested please do write to me. I can't wait to feel your huge cocks deep inside me as soon as possible."

Juliet

Juliet is a real old fashioned romantic. 'If a man brings me flowers, I'll be on my back with my legs in the air within minutes,' she told us. 'And don't you dare ask if that's just because I haven't got a vase.'
